Our cookies taste homemade because they ARE homemade . . .

Our award winning, nationally recognized cookies are made from the same family recipe since 1978. It all started with our classic Chocolate Chip cookie, so moist and thick, packed with chocolate chips that people couldn't stop talking about them. Our cookies are indeed FAMOUS! Food Network recently named the Famous 4th Street Cookie Company as one of the "best cookie bakeries in the country". We've been featured in Philadelphia Magazine and in Every Day with Rachel Ray. We use only the finest premium, all-natural ingredients.

There are never any preservatives, additives, artificial colors, or flavors of any kind.

Ours is NOT a blended oil or processed cookie.

In late 2016, we opened our brand-new, state-of-the-art manufacturing facility at 4177 Ridge Avenue in Philadelphia. Famous 4th Street Cookies continues to stay true to the old fashioned, small batch processes that allow our cookies to bake to perfection.

Our fresh and delicious cookies are available for wholesale in 2oz "pucks" conveniently layered in 15lb boxes for easy storage in a refrigerator. Famous 4th Street Cookies are made with Hershey's chocolate, California Raisins, Hawaiian Macadamia and other premium nuts, USA Grade AA shielded butter and pure vanilla. Branded, single-use packaging and signage are available upon request.

Treat your customers to the very best . . .

Be Famous.
